

## Ultimate Manifestation Mastery Affiliate Program

Welcome to my affiliate program for the Ultimate Manifestation Mastery Course! I'm happy to have you here!

Your profile set up instructions are given below.

We have over 700 members creating massive success in their life with this course. It includes over 50 of my most exclusive processes that create amazing transformation and I fully stand behind the power of these processes with everything inside of me!

Here's a brief understanding of the marketing concept (you will find more detailed information below):

Affiliates market the Free Masterclass: **How to Train Your Brain for Effortless Manifestation (Without Waiting Years for Results!)** on the landing page associated with the course. This class gives valuable information regarding the methods used in the course and gives each potential new student the understanding of how and why these processes will work in their life, without fail. There is a button on this page that takes them to a more detailed sales page with the checkout option.

A landing page has been created for you to market this. New sign ups will enter their email directly in the video in order to watch the class.

You can [click here](#) to see what the landing page looks like and get a feel for how it operates.

On that landing page, leads are captured to correspond with your affiliate code and are saved in your "cookies" for 365 days. When they enter their email, they are also captured on my email list for follow up email marketing.

From there, my team and I will continue to market to any individuals who sign up for the class (but don't make a purchase) with my proven email system by prompting them to continue to visit the masterclass and sales page. Even if they don't watch the MasterClass and still make a purchase after going to your landing page, you are credited for that sale as long as it is within the "cookie" period.

All of this information is outlined in greater detail below.

If you have any questions, you can always email us at [UltimateManifestationMastery@Gmail.com](mailto:UltimateManifestationMastery@Gmail.com)

I look forward to working with you! And, as always, Happy Manifesting!

-Jessica

## How to Set Up Your Affiliate Profile and Get Your Affiliate Link for Marketing

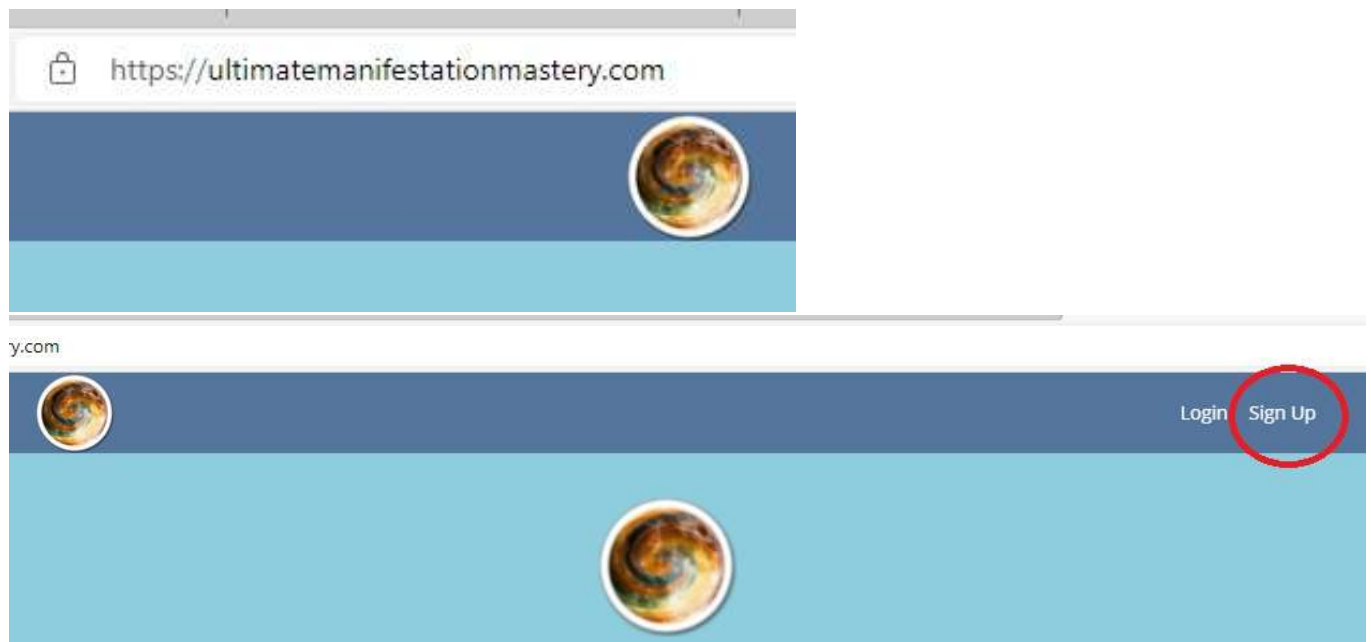

### Step 1

The first step is to sign up in the course dashboard. (You don't have to purchase the course to do this. You're simply creating your profile.)

In some instances, we will enter your email and name for you, add you to the affiliate program and send you notification of this. In the event you have already been notified that you are entered into our system, please skip to Step 3 to access your affiliate link for marketing. Also, if you are a current student of the program, you already have a profile and can skip to Step 2.

If you aren't already signed up, visit this link to do so:

<https://www.UltimateManifestationMastery.com> Once signed up, you will login each time to access the information given below.

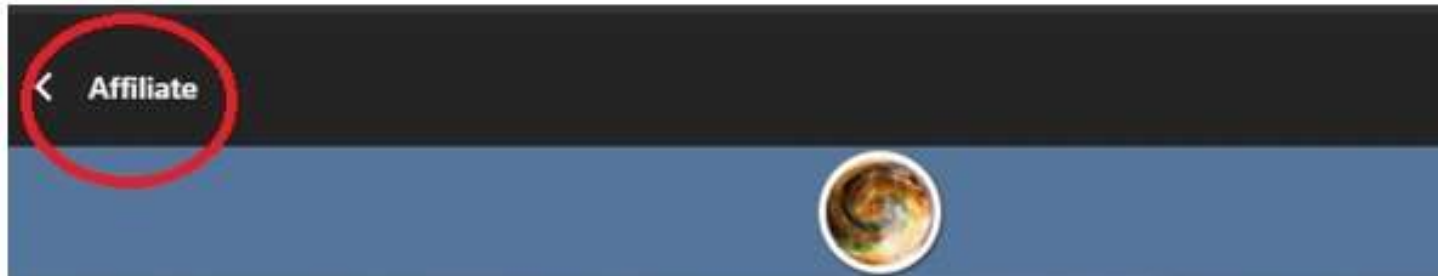

### Step 2

**\*\*\*Important** - Please send an email to [ultimatemanifestationmastery@gmail.com](mailto:ultimatemanifestationmastery@gmail.com)

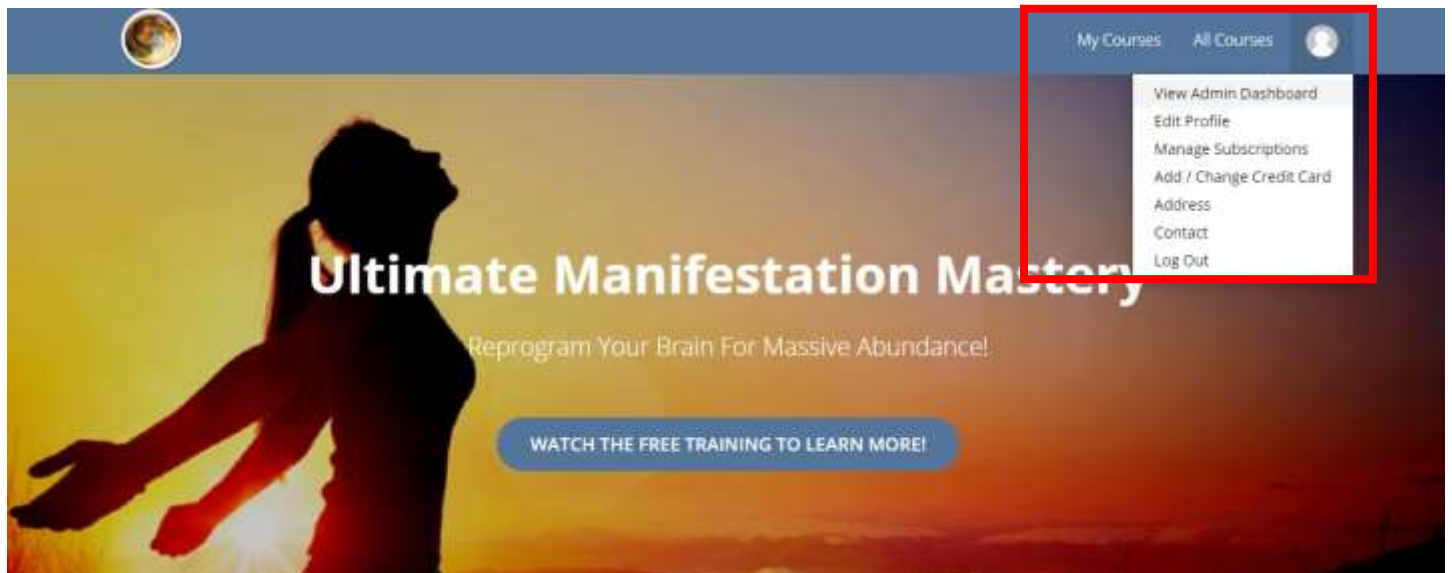

once you have signed up so we can create your role as an affiliate and set up your commission. **(If you skip this step, you will not be able to get credit for your sales.)**

### Step 3

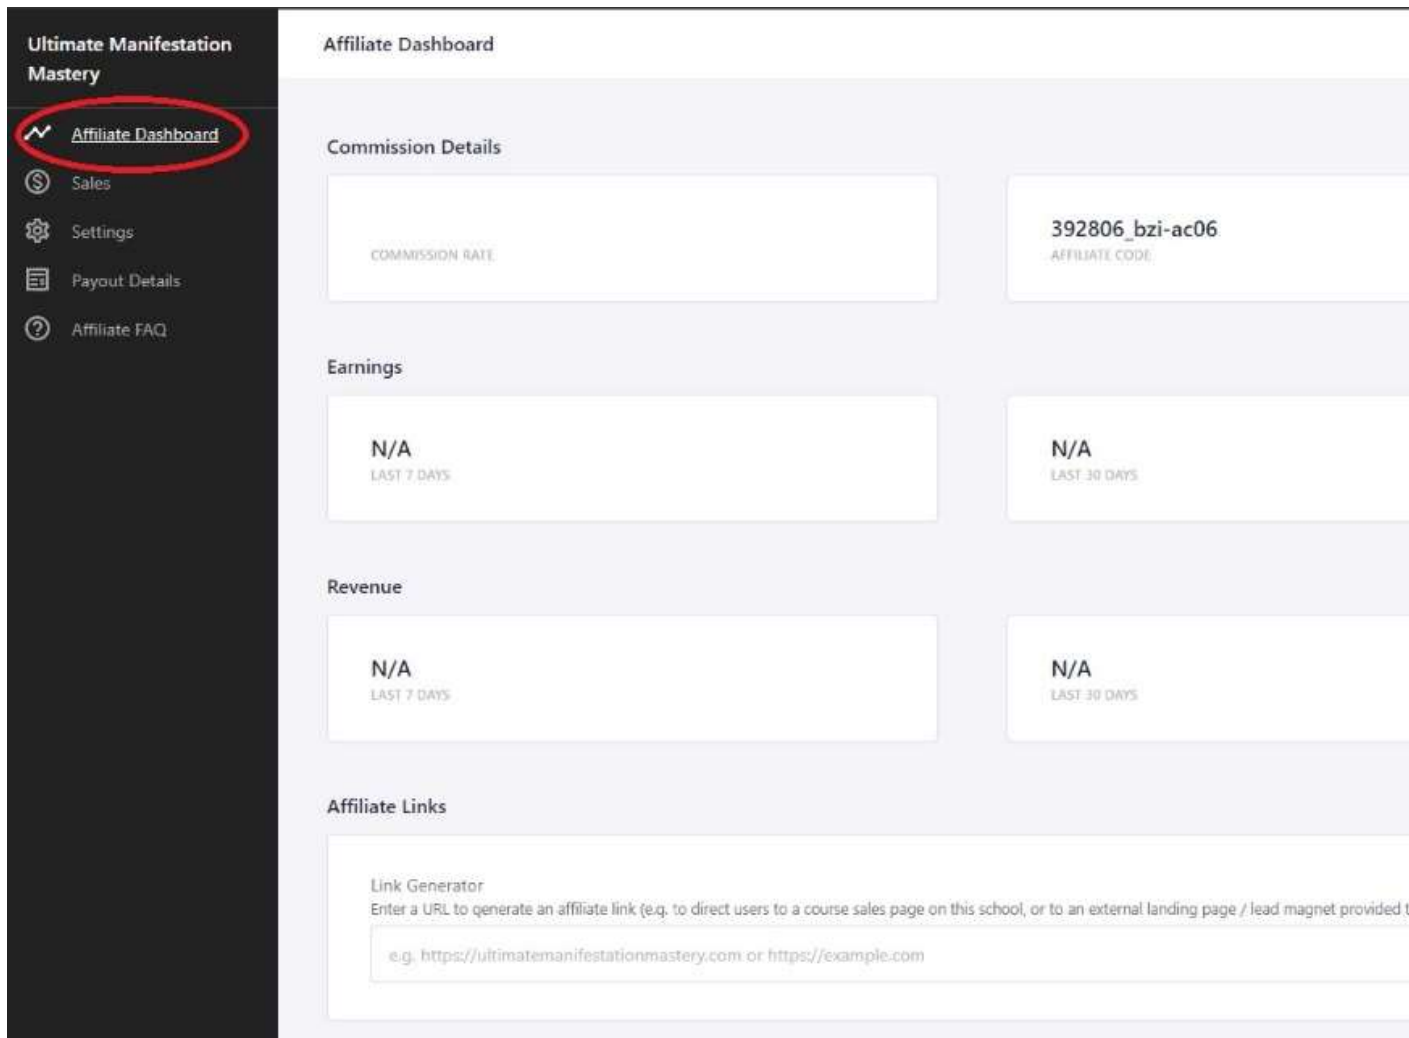

After we have created your role as an affiliate, you will see an "affiliate" area in the upper left-hand corner of your screen when you are logged in. Click on that to be directed to the "affiliate dashboard."

Alternately, you can click on your profile icon in the upper right-hand corner and then click "View Admin Dashboard" to reach the affiliate dashboard

This will take you to your Affiliate Dashboard

## Step 4

On the affiliate dashboard page, you will find your unique affiliate URL's for your landing pages – one for the full course payment option, and one for the payment plan option (image below). These pages are directly linked to your affiliate code and market new leads to sign up for the MasterClass. You can see your code attached to these links.

It doesn't matter which one of these 2 links you use to market to get new potential students to sign up. The landing pages are identical and the checkout page that it leads them to has a cart attached to your affiliate code for each option. Just by visiting either of these landing pages, a person is captured as yours in your "cookies" area. You are an affiliate for both, so either option will be credited to you if a lead makes a purchase. (More info below.)

**Affiliate Links**

**Link Generator**  
Enter a URL to generate an affiliate link (e.g. to direct users to a course sales page on this school, or to an external landing page / lead magnet provided to you by the school owner). Please prepend `http://` or `https://` to the URL.  
e.g. `https://ultimatemanifestationmastery.com` or `http://example.com`

**Courses**  
The school owner has enabled affiliate commissions for the following courses.

COURSE	AFFILIATE LINK
<a href="#">Ultimate Manifestation Mastery</a>	<a href="https://ultimatemanifestationmastery.com/courses/ultimate-manifestation-mastery?affcode=392806_qzocc9ln">https://ultimatemanifestationmastery.com/courses/ultimate-manifestation-mastery?affcode=392806_qzocc9ln</a>
<a href="#">Ultimate Manifestation Mastery - Payment Plan</a>	<a href="https://ultimatemanifestationmastery.com/courses/ultimate-manifestation-mastery3?affcode=392806_qzocc9ln">https://ultimatemanifestationmastery.com/courses/ultimate-manifestation-mastery3?affcode=392806_qzocc9ln</a>

Once you have your affiliate links, you can use that link to sign people up either through your own marketing, or through attaching it to one of the banner images provided.

Your “cookies” are set to keep your lead as yours for 365 days. You will be credited for any sales that come from your affiliate URL as long as they purchase within those 365 days. The only exception to this is when multiple affiliates are marketing to the same potential student, in which case the attribution will go to the affiliate that most recently marketed towards that potential student. (See the “cookie period” in the affiliate dashboard image below.)

## Information Regarding "What" You Are Marketing

Getting new potential students to sign up for the Masterclass from your affiliate URL landing page is all the marketing you need to do. The sign-up form is built directly into the video on that landing page and it is locked to be inaccessible without an email address being entered. This is so we can continue to offer valuable information via email as to how and why the course will work in their life.

As previously stated, you are selling the **Free MasterClass and MP3 Meditation Download** that comes with that class. **You will use your affiliate links to do this.** (Marketing Tool information is below.)

Not everyone is keen on entering their email address to sign up for a class (and I totally understand that). What we've discovered is that oftentimes a personal testimonial works best to assure potential sign-ups that the class is worth the registering (and I believe it is). Your goal is to get them to go to your affiliate link.

One of our marketers did a quick 3-minute video talking about her personal positive impact and learning from the Masterclass, posted it on Facebook, and has already made 3 course sales in 5 days! (I recommend becoming familiar with the Masterclass to market in this way.)

I've also included banner images and a short video that can be used to market your affiliate link. Feel free to play around with a method that works for you. And please remember that you are selling the free MasterClass (Free Training) and not the course.

The Masterclass gives them the understanding of why the course will work in their life and has been meticulously created to do so.

All future marketing will be handled on our end through our proven email system, but you will still receive credit for any purchases made by your sign ups within the “cookie” period.

Email responses and questions will come directly to our email address and my team will handle all email correspondence. This is our responsibility.

When marketing the Masterclass, we have found that letting individuals know that the class comes with a free MP3 of my most powerful transformation meditation will often prompt them to sign up. (This information is included on the landing page we built for you, but you can push that point in your own individual marketing.)

## Navigating Your Affiliate Dashboard & Getting Paid

You must be signed in to navigate your affiliate dashboard.

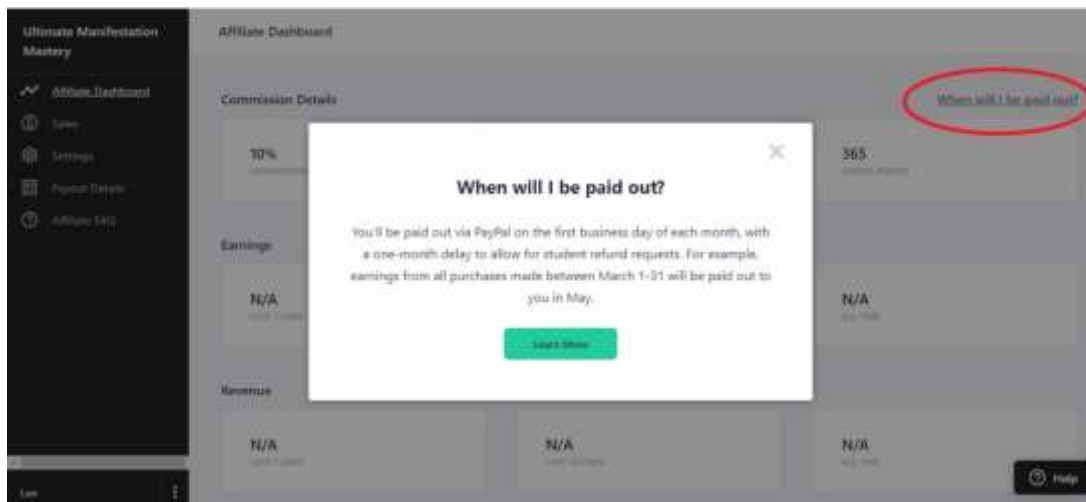

From the dashboard section, you will be able to monitor your stats/earnings.

There is a "payout details" section to add your Paypal address (the only option Teachable offers for affiliates). **Be certain to enter your Paypal information to be paid.**

The screenshot displays the 'Ultimate Manifestation Mastery' affiliate dashboard. On the left is a dark sidebar with navigation links: 'Affiliate Dashboard', 'Sales', 'Settings', 'Payout Details' (highlighted with a red circle), and 'Affiliate FAQ'. The main content area is titled 'Payout Details' and features a yellow 'Note' box stating: 'You'll be paid out via PayPal on the first business day of each month, with a one-month delay'. Below this is a form for 'PayPal Email Address' with the instruction 'This is the PayPal address Teachable will use to pay you out monthly.' and a text input field containing 'you@example.com'.

You can also see a “When Will I Be Paid?” button within your affiliate dashboard. Payments are sent on the first of each month, with a one-month delay allowed for refund requests. (More information about refund requests is given below.)

## What You Receive Commission For

You are set up to receive attribution for both full payment purchases and payment plan purchases. With the payment plan option, you receive your percentage with each payment made (out of 3) by the student. Please note that some students opt out of continuing with payment 2 and/or 3 for various reasons, but most complete their payment schedule.

All payouts are collected, determined and dispersed through the affiliate program within [www.Teachable.com](http://www.Teachable.com). We do not collect this money or send it to you. If you have an issue or concern with your payout, please reach out to them by using the “help” button on the bottom right-hand corner of the screen in your affiliate dashboard, or by using this link to access their support team: <https://support.teachable.com/hc/en-us>

You are also responsible for paying your own taxes on commissions earned. Per Teachable’s policies, you will be issued a W-9 by them for sales over \$600 in the U.S. You can learn more about this by clicking on this link:

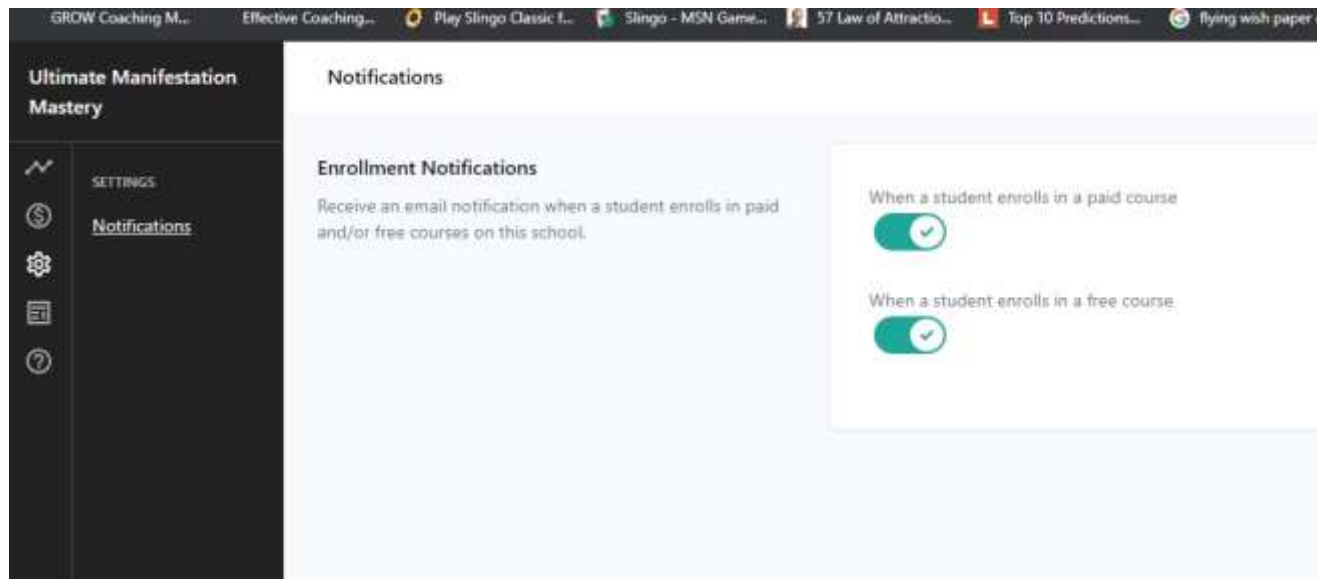

<https://support.teachable.com/hc/en-us/articles/231807527-US-Income-Taxes-as-a-School-Owner-Author-or-Affiliate>

Please also refer to the above link if you are outside of the U.S. to learn your tax obligations.

## How to Be Notified When One of Your Leads Makes a Purchase

In your “settings” section, you can toggle the switch on to be notified when one of your leads enrolls in a paid course. With this on, you will receive an email notification of any purchases.

## What Happens When a Refund Is Issued?

The course offers a 30-day money back guarantee for students when the requirements have been met. Any refunds given on a sale made within those 30 days will not be credited to the affiliate. (We discourage refund requests and can often answer a student's immediate concerns to avoid this.)

We receive very few requests for refunds for course sales, but it does happen from time to time.

**Refunds are generally requested when specific audiences are targeted that prefer only to receive free materials, without having to put in the work it that takes to make the processes work. This is reason that understanding your target audience is so important, and also the reason I have selected you for this program. “Spam” style marketing rarely works for this type of course and I highly discourage against it. I am looking for individuals who really want to change their life and are**

ready to do it! Please keep that in mind so we can all avoid the issuing of these refunds.

## How Can I Learn More About the Affiliate Program Through Teachable.com?

To understand more about the affiliate program through [www.Teachable.com](http://www.Teachable.com), you can [click here to learn more](#) - Scroll down to the "Affiliate Commission" section.

Alternately, you can visit this link: <https://support.teachable.com/hc/en-us/articles/223276087#TransactionDetails>

There is also an "Affiliate FAQ" in your dashboard area that gives a lot of information regarding the affiliate program.

## Are There Any Marketing Tools Available to Get People to Sign Up for the MasterClass?

Yes, we are providing you with a few different styles of banner images, a short video and email swipe copy in your affiliate package that you can use to market the MasterClass on your website, with your email list or elsewhere. I encourage you to play around with them to see which works best for you (you know your audience best). If you have a banner request, please email us at the address below and we will try to accommodate that. Be certain to place your **affiliate link** in any banners you use so you are credited any leads that make a purchase.

In addition, I often use this post in my videos and on my website:  FREE MasterClass & POWERFUL Meditation Download: HOW TO TRAIN YOUR BRAIN FOR EFFORTLESS MANIFESTATION (Without Waiting Years for Results!)  (Place Your Affiliate Link Here)

Changing the affiliate link to a bitly link from [www.bitly.com](http://www.bitly.com) is a great way to shorten it and customize it. For example, my bitly link translates into this: [https://bit.ly/Free\\_Manifestation\\_Class](https://bit.ly/Free_Manifestation_Class)

If you'd like to play with the wording on a post like this, you can do so to suit you as long as it promotes the MasterClass/Free Training/Free Coaching Session. It may help to post something that indicates what positive changes you had as a result of watching the training.

If you would like to create some banners or marketing videos of your own, that is okay too. Please keep in mind the paragraph above regarding refunds when doing this. I

encourage you to avoid spam-style marketing for the refund request reason, and for the reason of keeping the integrity of this program intact.

**Please be aware of our PPC guidelines pertaining to your marketing efforts - listed as follows in our Affiliate Agreement:**

*You agree that among using other keywords or exclusively bidding in Pay-Per-Click campaigns on keywords such as ultimatemanifestationmastery.com, youryouniverse, Your Youniverse, Your Youniverse YouTube, www.ultimatemanifestationmastery.com ultimate manifestation mastery, ultimatemanifestationmastery, and/or any misspellings or similar alterations of these – be it separately or in combination with other keywords – and that do not direct the traffic from such campaigns to your own website prior to re-directing it to ours, will be considered a trademark violation, and that you will be banned from the Affiliate Program. We will do everything possible to contact the affiliate prior to the ban. However, we reserve the right to expel any trademark violator from our affiliate program without prior notice, and on the first occurrence of such PPC bidding behavior.*

This clause is in the agreement to keep my brand intact without negative repercussions to my business. PPC bidding is fine, but please only use this style of marketing when keeping the integrity of the Your Youniverse™ brand and the Ultimate Manifestation Mastery Course in mind. -Thank you in advance for following this guideline!
